

109th BIRTH ANNIVERSARY OF MOTHER TERESA CELEBRATED

"Where did Mother Teresa find the strength and perseverance to place herself completely at the service of others? She found it in prayer and in the silent contemplation of Jesus Christ, his Holy Face, and his Sacred Heart." - Pope John Paul II

The 109th birth anniversary of Mother Teresa was celebrated on 26 August 2019 with special prayers during the morning school assembly. The students of classes VII- C, D and E presented, beautifully, in detail, the events related to her life, work and the awards she had been bestowed upon.

Mother Teresa was an icon of compassion for the poor and underprivileged. She dedicated her entire life to love the unloved and heed the forgotten. Saint Teresa of Calcutta was born on August 26, 1910 at Skopje in Macedonia. She died on September 5, 1997. The students presented the theme of sacrifice and love in a very colourful manner. The programme included prayer songs, skit and dance presentation.

Principal Rev. Brother Monahan implored and motivated the students to follow the values Mother Teresa followed in her life. He asked the students to give importance to a prayerful life and to seek God's blessing in everything they do.
