

## **ST. MONTFORT SCHOOL**

### **CAREER EXHIBITION 2019**

With an aim to accomplish the objective of career development and one's inclination towards the specified intrusion into the global world, a two day career Exhibition was organised for the students of classes 6th to 12th on 28<sup>th</sup> and 29th August 2019 in the school auditorium. The exhibition was inaugurated by the school Principal, Rev. Bro. Monachan k. k.

The exhibition was an initiative of the school counselor, Mrs. Shradha Balwani reiterating the importance of knowing one's potential and career options before making a decision. It emphasized on the importance of making informed decisions.

The information regarding various career options and courses was presented with the help of colourful charts, flexes and PPT presentation. It mentioned the wide range of branches in traditional or regular courses like Engineering, MBA, etc. and the various career options available in India. It also briefed them about various leading universities and business schools and the need for a preparatory programme for each student seeking admission for the same. It also mentioned about various professional courses and competitive exams which could be pursued post high school.

The overall intention of the Career Exhibition sought to promote and make the students aware of the courses with a greater scope in future such as Artificial Intelligence, Nano Technology, Robotics, Food Technology, Bio Informatics, Data Science, App Development, etc.

The fair proved to be a fruitful one where students clarified doubts on the subject matter. The session boosted the morale of many students and a positive vibe was set in their minds.
