

Poem - 3 states.

"Madhya Pradesh" This is the land
of Tigers, As the legends say.
This is the state of rivers,
Which urges to look down at them
Here are the peace giving
Bhimbetka and Sanchi stupa.

"Nagaland" This is the land
of Mountains,
The state of indigenous tribes,
As amazing festivals they celebrate
The capital Kohima suffered
A lot in WWII

"Manipur" This is the land
of Brotherhood,
Imphal as its capital,
The title holding as the
Northeast India. The relatives
are Assam and Nagaland.
The prestigious hotspot
hotituk lake.
