

REPORT ON MENTAL MATHS COMPETITION 2018-19

An Inter section Mental Math Competition was conducted by St. Montfort School, Patel Nagar Primary wing on Monday, 8 Oct 2018 for class I & II. It assessed the Mathematical skills of the students with a varying degree of difficulty. The round for the Quiz were related to - Number Pattern, Word Problem, Place value, Fill ups. Two students from each section participated in the competition. They were asked questions from their semester-I book. The students who were able to give more correct answer are the winners. With the help of this activity students have increased their thinking, calculation skill and team work. Summing up, the quiz helped for an effective learning of Mental Math skills and participation of students as a team. Winner's names are given below-
