

ST. MONTFORT SCHOOL, PATEL NAGAR BHOPAL

Report on EVS activity

“Save the trees, save the earth, We are the guardians of the nature.”

To enhance the creativity of the students, EVS club conducted printing activity for classes 1 and 2 on 12th July,22, in which the students used different colours and materials to do the printing activity on the topic “Uses of plants”. The activity was conducted in the class with the help of the class teachers. All the Students actively participated and learnt about the different things they get from plants.
