Report on Story telling activity

“A story can imbibe the right value in the most impressionable age”

In our quest to promote academic excellence and encourage students, St Montfort School organised a story telling activity for Nursery, Kg I and KG II on 20th January 2023. The students participated with their tremendous effort to make this event a successful one. The stories that they narrated were moral based and these young story tellers used a variety of props to make their stories interesting and expressive. Each story concluded with a moral highlighting different values of life. Children learned the skill of speaking in unison. The little story tellers won everyone's heart and were applauded. It reflected the efforts of the children and teachers. The appropriate use of voice modulation and body language, enhanced imagination, expressions, creative gestures and facial expression was aptly displayed. It was a fun-filled competition.
