REPORT ON ENGLISH HANDWRITING COMPETITION

“The brain engages differently, when we write something by hand as opposed to typing it on a keyboard or by touching a screen”.

English Handwriting Competition was held in St Montfort School, Primary wing on 21st April,23 for the students of classes 1 and 2 in which the students participated with keen interest and enthusiasm. The competition was organized in the respective classrooms, as handwriting is an essential skill for students and is an incredibly important exercise for students to encourage them to develop fine motor skills and confidence. It activates the brain and contributes to reading fluency. It also encourages and recognizes the good handwriting skills. The objective of this competition was to motivate students to enhance their writing skills. It was a hundred percent participation and the students were given a paragraph to write. The best handwritings were selected according to specific parameters and the students were awarded with certificates for their splendid performance.
