INTER CLASS DEBATE COMPETITION

Deliberation and debate is the way you stir the soul of our democracy.

Jesse Jackson

The premises of St. Montfort Senior Secondary School, Bhopal echoed with 'Inter Class Debate Competition' conducted on 20th July 2024. Monfortions from the classes IX and X actively participated and showcased their talent on a platform called debate. The competition proved a stimulate and cut throat event where the topics 'Online Shopping Help Us Buy Better' by class IX and 'Western Culture is Modernizing India' respectively by class X were debated. The event aimed to explore the influence of online shopping and western culture, on consumers behavior and decision-making processes of an individual.

The conjuncture commenced with the welcoming of the school Principal Rev. Brother Monachan K.K. with esteemed judges. The debaters put forwarded their views confidently which made the competition an enthralling watch with their fiery arguments and critical thinking.

The participants were assessed on the basis of content, creativity, reasoning skills, time management and confidence ensuring a comprehensive assessment of their argumentation. The judges gave their valuable feedback to the speakers to guide them to perform better in the future.

The winners of the 'Inter Class Debate competition' were as follows:

Class IX

For the motion- 1st - Ridhima Kashyap (9th B)

2nd - Shubhi Chourey (9th C)

Against the motion-1st - Preyashi Bhargava (9th B)

2nd - Sniti Mishra (9th F)

Class X

For the motion- 1st- Vaishnavi Patel (10th F)

2nd- Rishika Mongiya (10th A)

Against the motion- 1st -Avani Rawat (10th A)

2nd- Keshavraj Gabriel Chopra (10th D)

Beginning with the fruitful arguments the event provided practical tools for changing habits and behavior of an individual towards online shopping and western culture.

MENTAL MATHS QUIZ 2024- 25

Mathematics as an expression of the human mind reflects the active will, the contemplative reason, and the desire for aesthetic perfection. Its basic elements are logic and intuition, analysis and construction, generality and individuality.

— Richard

Courant

In order to create interest in Mathematics and to develop logical , problem solving and reasoning skills and to get the students to think out of the box, **Maths club** organized an intersection quiz competition for classes VI to VIII on 20th July 2024 in the senior building auditorium. The programme commenced with a prayer and welcome address, followed by explanation of rules and regulations of the quiz. The students have shown a great zeal of interest and enthusiasm throughout the quiz.

The Quiz was conducted in three rounds:

1ST Round: - Problem solving

2ND Round: - Jumbled words

Report on Hindi Handwriting Competition

The Hindi Handwriting Competition held on 20th July, 24 at St Montfort School, Primary wing, witnessed enthusiastic participation from students of grades 1 and 2. The event aimed to promote the art of beautiful Hindi handwriting among students and encourage them to take pride in their language skills.

Students enthusiastically participated in the competition. It was a hundred percent participation in which students showcased their proficiency and creativity through their handwriting skills.

The judging criteria focused on several aspects such as legibility, neatness and consistency.

The competition aimed to promote Hindi language. Participants were given specific passage to write.

After careful evaluation by the judges, winners were announced and awarded with certificates.

The Hindi Handwriting Competition proved to be a successful endeavour in nurturing students' interest in Hindi language and enhancing their handwriting skills.

Looking ahead, we aim to continue organizing such events to promote Hindi language and handwriting skills among students, fostering a deeper appreciation for linguistic diversity and cultural heritage.

REPORT ON FUN DAY

At the end of the day if we can say we had fun, it was a good day. With this the tiny tots of St. Montfort kindergarten celebrated their fun day on 20th July 2024. It was a day specially for the little ones to enjoy the delicious fruit salad. All the classes were allotted with different colour and a fruit. The occasion was to teach the children about the health benefits of eating fruits and about the colours. The tiny tots also learn more about the taste, smell, colour and texture of each fruit.

children's enjoyed the day by dancing and watching story through a puppet show. Teacher demonstrated the process of peeling, cutting and mixing all the different fruits and the yummy fruit salad was ready to relish.

In a nutshell kids were found to be quite thrilled and were positive on the fact that fruits are better than junk foods.
