Report on Diya decoration competition

Competition Name: **Diya Decoration**

Participants: **Students from class I & II. (All sections)**

Competition Date: **1st November 2021**

St. Montfort School Bhopal organized a Diya (Small clay lamps) decoration competition for students of class I & II. This was done with a motive of developing creativity among the students apart from their regular course.

The students accompanied by their parents as mentor took part in it with great enthusiasm and came up with variety of interesting new ideas to decorate an ordinary clay lamp for Dipawali festival.

As a part of Dipawali festival the Diyas were painted with neon colors and decorated with different illuminating materials such as shiny ribbons, Glitters etc. This also developed a sense of using waste materials then throwing it in garbage bin. The students learnt how to be creative in using the waste products for something usable.

The winners of this competition from all the sections of class I & II were awarded with e-certificates. With a view to enhance their talents the class teachers motivated and encouraged them to partake in such upcoming competitions.
