

## **LEADERSHIP EXPERINCE AND THANKS GIVING ASSEMBLY**

'The first responsibility of a leader is to define reality. The last is to say thank you. In between the two, the leader must become a servant and a debtor. That sums up the progress of an artful leader.'

To pass this message, a special assembly was conducted on 'Leadership Experience' and 'Thanks Giving' by the Cabinet Members and the students of class XII on 29 November 2019.

The members of the cabinet shared how their leadership skills enhanced through formal leadership opportunities and their practical leadership experiences. They recognised the fact that these skills will lay the foundations for their bright future. The students of Class XII expressed their gratitude towards all the teachers by remembering their contribution in their lives. They thanked all the teaching and non-teaching staff for their immense guidance and support through enactment and dance performances.

The Principal motivated all the students to follow the footsteps of the successful leaders and wished the students of Class XII a bright future.
